<sup>4</sup> The Fee Review – Timeline and Process Memorandum submitted on November 10, 2017, to all PROMESA Title III Professionals.

## **I. INTRODUCTION**

The D&V Law Firm is a full-service law firm established in 2019, with various practicing attorneys that have had a longstanding business relationship with PREPA providing legal services for the better part of the last 12 years, while practicing with the Cancio, Nadal, Rivera & Díaz law firm. PREPA decided to retain the D&V Law Firm given that their attorneys have represented PREPA in its ongoing Title III proceeding since its inception back in July 2, 2017, pursuant to the PROMESA legislation as well as in federal and state general litigation, administrative agencies like the Puerto Rico Energy Bureau (PREB), labor and employment cases and provided legal opinions and consultations when requested. PREPA requested the Firm's representation in all matters related to PROMESA beginning on July 1, 2017, as well as PREPA's transformation efforts. PREPA is one of the Debtors represented by the Financial Oversight and Management Board (FOMB) in the Title III cases.

During the Eighth Interim Period, D&V performed a variety of legal services that were necessary and appropriate for the efficient and economical resolution of PREPA's interests in the Title III Cases and its business, including, among others: meeting and conferring with PREPA's officers and employed professionals; providing local counsel and federal litigation expertise; advising PREPA of its powers and duties under Title III proceedings; advising PREPA in regards to several actions taken against the estate; advising PREPA of several available actions to protect and procure revenues or recovery of assets of the estate; working closely with PREPA personnel and attorneys for the FOMB in the PREPA claims reconciliation process; representing PREPA at court hearings as local counsel; work with other PREPA professionals to coordinate and complete fact gathering tasks; counsel and represent PREPA in several Title III investigations; preparing on behalf of PREPA motions, applications, orders, and other legal documents; and advising PREPA

with respect to bankruptcy, labor, employment, contracts, and litigation issues concerning the bankruptcy proceedings, and stayed litigation; and providing legal advice and representation in connection to the Fiscal Plan, privatization and revitalization.

D&V's work during the Eighth Interim Period was necessary for, and beneficial to PREPA and served to ensure that the interests of PREPA were properly represented and safeguarded in these Title III Cases. Therefore, D&V respectfully requests the Court to award the fees and expenses requested in this Application.

## **II. JURISDICTION**

The United States District Court for the District of Puerto Rico (the "Court") has subject-matter jurisdiction over this matter pursuant to PROMESA section 306(a). Venue is proper pursuant to PROMESA section 307(a). The statutory bases for the relief requested herein are PROMESA sections 316 and 317 and Bankruptcy Code section 105(a), made applicable in this Title III Case pursuant to PROMESA section 301(a).

## **III. BACKGROUND**

On June 30, 2016, the FOMB was established under PROMESA section 101(b). Thereafter, on August 31, 2016, President Obama appointed the Oversight Board's seven voting members. On September 30, 2016, the Oversight Board designated PREPA as a "covered territorial instrumentality" under PROMESA section 101(d) and, on June 29, 2017, the Oversight Board issued a restructuring certification to PREPA pursuant to PROMESA sections 104(j) and 206. On July 2, 2017 (the "Petition Date"), the Oversight Board filed a voluntary petition for relief for PREPA pursuant to section 304(a) of PROMESA, commencing a case under title III thereof (the "PREPA Title III Case").

On August 23, 2017, the Oversight Board filed a motion seeking joint administration of PREPA's Title III Case with the other jointly administered Title III cases. (Case No. 17-03283-

LTS; Dkt. no. 1149). On September 13, 2017, the U.S. Trustee, without objection, filed the Urgent Motion of the United States Trustee Pursuant to PROMESA Sections 316 and 317 and Bankruptcy Code Section 105(A) for Entry of Order Appointing a Fee Examiner and Related Relief (Case No. 17- 03283-LTS; Dkt. no. 1296). On September 13, 2017, the Court entered an Order Pursuant to PROMESA Sections 316 and 317 and Bankruptcy Code Section 105(A) Appointing a Fee Examiner and Related Relief (Case No. 17-03283; Dkt. no. 1416) (the “Fee Examiner Order”), appointing the Fee Examiner and outlining the Fee Examiner’s responsibilities which include, but are not limited to: (1) the review of the applications filed by the professionals in these Title III cases; (2) developing case- specific guidelines; (3) establishing procedures to facilitate preparation and review of the applications; and (4) establishing procedures to resolve disputes concerning the applications.

Afterwards, on October 31, 2017, the Fee Examiner filed the Urgent Motion of the Fee Examiner to Amend the Interim Compensation Order, Including the Due Date and Hearing Date for Interim Compensation (Case No. 17-03283; Dkt. no. 1594) (the “Interim Compensation Motion”). On November 8, 2017, the Court entered the First Amended Order Setting Procedures for Interim Compensation and Reimbursement of Expenses of Professionals (Case No. 17-03283; Dkt. no. 1715). On November 10, 2017, the Fee Examiner sent all the PROMESA Title III professionals a Memorandum for Fee Review – Timeline and Process. On June 6, 2018, the Court entered the Second Amended Order Setting Procedures for Interim Compensation and Reimbursement of Expenses of Professionals Compensation (Case No. 17-03283; Dkt. no. 3269) (“Amended Interim Compensation Order”). On June 20, 2018, the Court entered the First Amended Order Pursuant to PROMESA Sections 316 and 317 and Bankruptcy Code Section 105(A) Appointing a Fee Examiner and Related Relief Compensation (Case No. 17-03283; Dkt.

no. 3324) (the “Fee Examiner Amended Order”). On August 21, 2018, the Fee Examiner filed the Fee Examiner’s Motion to Impose Presumptive Standards and Timeliness Requirements for Professional Fee Applications (Case No. 17-03283; Dkt. no. 3790) (the “Presumptive Standards Order”). On September 13, 2018, the Court granted the Presumptive Standards Order which sets several presumptions to be applied as standards for review and recommendation of the professionals’ request for orders awarding interim allowance of compensation for professional services rendered and reimbursement of expenses.

#### **IV. D&V SERVICES AND RETENTION**

On August 1, 2019, PREPA retained D&V to provide advice with respect to, inter alia, legal representation in State and District courts, PROMESA proceedings and general counseling with respect to state and federal law. The Firm was also retained to represent PREPA in all judicial and quasi-judicial actions as required by PREPA.

During the Eighth Interim Fee Period, the Law Firm advised, assisted and represented PREPA on matters related to litigation, opinions, legislative processes, regulatory matters, labor issues, procurement and transformation processes, PREB cases and all matters related to Title III under PROMESA including reconciliation of proof of claims regarding labor and litigation claims and other legal services routinely requested by PREPA. The legal services have included, among others, matters before the Courts of Puerto Rico and the United States in connection with the bankruptcy procedures of PREPA filed under Title III of PROMESA, current federal and state court litigation as well as cases before administrative and regulatory forums like PREB.

During the Eighth Fee Period, D&V represented PREPA professionally, efficiently and diligently advising it on a variety of matters and issues in connection with the ordinary course of PREPA’s Title III related litigation. Specifically, D&V rendered services to PREPA in connection with

the ordinary course of litigation issues, as well as operations, as requested and as necessary and appropriate, in furtherance of PREPA's restructuring efforts and operational issues attendant thereto.

The variety and complexity of the issues in this Title III Case and the need to cost-effectively act or respond to issues affecting PREPA's business operations on an expedited basis in furtherance of PREPA's needs required the expenditure of substantial time by D&V personnel from multiple legal disciplines on an as-needed and requested basis. At all times, the Firm diligently and expeditiously represented PREPA.

#### **V. SUMMARY OF COMPLIANCE WITH THE AMENDED INTERIM COMPENSATION ORDER**

This Application has been prepared in accordance with the Second Amended Interim Compensation Order. D&V seeks interim compensation for professional services rendered to PREPA during the Eighth Interim Period in the amount of \$1,880,695 and reimbursement of actual and necessary expenses incurred in connection with providing such services in the amount of \$13,883.56. During the Eighth Interim Period, D&V attorneys expended a total of 6,569.80 hours for which compensation is requested.

As of the date hereof, D&V has received payments from PREPA totaling \$1,347,953.17 for fees and expenses, representing 71% of the fees and expenses for the Fifth Fee Period in accordance with the terms of the Amended Interim Compensation Order.

Accordingly, in this Application for the Fifth Interim Period, and to the extent such amounts have not been paid by the time of the hearing on this Application, D&V seeks payment of all amounts outstanding, totaling \$546,625.39, which represents the aggregate amount of unpaid fees and expenses incurred between August 1, 2019 to January 31, 2020.

## **VI. FEES AND EXPENSES INCURRED DURING THE EIGHT INTERIM PERIOD**

### **A. Customary Billing Disclosures**

D&V's hourly rates are set at a level designed to compensate D&V fairly for the work of its attorneys and to cover fixed and routine expenses. In accordance with its agreement with PREPA, the hourly rates and corresponding rate structure utilized by D&V in this Title III Case is substantially lower in comparison to the rates charged by other attorneys in the Title III Case. The rates and rate structure reflect that such restructuring matters typically are national in scope and typically involve great complexity, high stakes and severe time pressures.

The blended hourly rate in this Application for the Eighth Interim Period for the relevant timekeepers is \$286.26. The blended hourly rate collected during this Eighth Interim Period as of the date of the filing of this Application is \$203.72.

Further, D&V's rates as provided in the contract have been registered with the Office of the Comptroller for the Commonwealth of Puerto Rico ("Office of the Comptroller"), pursuant to the laws and regulations of the Commonwealth of Puerto Rico. Due to the complexity and the specific targeted needs for legal representation and advice in the bankruptcy and federal litigation proceedings that the Title III Case requires, D&V was awarded the Contract on July 31, 2019, effective from August 1, 2019 to June 30, 2020. The Contract has been registered by PREPA in the Office of the Comptroller and thus, complies with the rules and regulations of the Commonwealth of Puerto Rico.

### **B. Fees Incurred During Eighth Fee Period**

In the ordinary course of D&V's practice, D&V maintains computerized records of the time expended to render the professional services required by PREPA and its business operations. For the convenience of the Court and as well as all parties in interest, attached hereto as Exhibit

B is a summary of fees incurred and hours expended during the Fifth Fee Period, setting forth the following information:

1. the name of each attorney for whose work on the Title III Case compensation is sought;
2. the primary department, group or section to which each attorney is assigned;
3. each attorney's year of bar admission;
4. the total fees billed by each attorney; and
5. the total hours billed by each attorney.

**C. Expenses incurred during the Eight Fee Period**

In the ordinary course of D&V's practice, D&V maintains a record of expenses incurred in the rendition of the professional services required by PREPA and its business operations and for which reimbursement is sought. Consistent with protocol established by the Fee Examiner in this Title III Case and D&V's agreement with PREPA, D&V charged no more than \$0.10 per page for standard copying services in this case. Since D&V is home based in San Juan, Puerto Rico, where PREPA and its officers have their main offices, there has been no needless expenses in travel or lodging expenses except as to those that have been required by PREPA to attend to matters stateside. D&V has also maximized the use of telephone conferences and electronic mail communications to avoid traveling expenses.

For the convenience of the Court as well as all parties in interest, attached hereto as Exhibit C is the detailed description of services provided for the Eighth Fee Period, which includes the total amount of reimbursement sought with respect to each category of expenses for which D&V is seeking reimbursement.

All the expenses incurred by D&V were actual and necessary expenses required to provide legal representation to PREPA.

## **VII. SUMMARY OF LEGAL SERVICES RENDERED DURING THE EIGHT FEE PERIOD**

As discussed above, during the Eighth Fee Period, D&V provided extensive and important Professional services to PREPA in connection with the ordinary course of business needs of PREPA and the Title III Case.

The following is a summary of D&V's most relevant services provided during the Eighth Fee Period on behalf of PREPA:

### **a. General bankruptcy advise and counseling**

D&V has furnished bankruptcy counseling to PREPA and its officers from the beginning of the Title III Case. These services include providing advice on how to proceed on the regular day-to-day business operations after the filing of the PREPA Title III Case, as well as the general litigation advice.

### **b. Bankruptcy litigation**

D&V has furnished specialized bankruptcy litigation advice to PREPA and its officers from the beginning of the PREPA Title III Case. These services include providing advice on several motions to be filed, legal strategies and actions to be followed.

### **c. Claims reconciliation process**

D&V has been working closely with PREPA and the Berkeley Research Group ("BRG"), contractor for the Fiscal Oversight and Management Board ("FOMB"), in the claims reconciliation process which are essential for the Administrative Claims Resolution ("ACR") and the Alternate Dispute Resolution ("ADR") process and PREPA's future plan of adjustment.

### **d. Support to other professionals employed by the estate or PREPA's fiscal agent**

D&V has furnished services to PREPA in the form of assisting other professionals employed by the estate. Since the attorneys of the Firm have been PREPA's legal counsel for many

years now, D&V has been extremely helpful, cost-efficient and timesaving in providing necessary and relevant information from prior litigation and business operations. This has also helped to save time on fact gathering tasks. The most relevant support has been provided to AAFAF and FOMB to assist in different tasks, like gathering information from PREPA's officers needed to pursue and promote the best interests of the estate, as well as advise on local law and regulatory procedures familiar to D&V as local counsel for important ongoing litigation.

**e. Transformation and restructuring efforts**

D&V has rendered legal services for PREPA in connection with matters before the Puerto Rico Energy Bureau ("PREB") that are directly related to PREPA's transformation and restructuring efforts. Specifically, D&V has represented PREPA in cases in connection with PREPA's tariff (rate case), future development plans (integrated resource plan), renegotiation of PPOA's (Ecoelectrica and Naturgy gas purchase agreement), process for approval for requests for proposals ("RFP") and investigations by PREB (seismic effects on PREPA's infrastructure) among others.

**f. Enforcement of the automatic stay**

D&V has furnished services to PREPA in the form of enforcing the automatic stay against pending state, federal and administrative litigation and claims. This has been performed through different tasks such as providing legal representation in different forums, filing notices of stay motions, providing notice to plaintiff's counsel of the filing by PREPA of the Title III Case and the automatic stay, and object to motions to lift or modify the automatic stay outside the Title III Court. D&V has also assisted PREPA's in-house counsels in cases in which they have had to seek the local courts or administrative forums to enforce the automatic stay to protect the estate.

**g. Relief or modification of the automatic stay**

D&V has also represented PREPA in several extrajudicial and judicial requests for

modification or relief from the automatic stay. In furtherance of the Case Management Order, the Firm receives notification from AAFAF or the FOMB when a creditor requests to meet and confer to discuss the possibility of lifting or modifying the automatic stay. When such notifications are received, D&V investigates the facts and controversies of each case, so that the relevant entities be in a better position to determine if the stay should be lifted, modified or remain in place. D&V also drafts settlements to modify or lift the automatic stay and shares them with AAFAF and the FOMB for final approval and execution. These services benefit the estate by providing a liquidated status to certain litigation of personal injury or wrongful deaths actions or keep the automatic stay protection to the estate.

**h. Adversary proceedings**

D&V provided legal services to PREPA in the form of representation in adversary proceedings such as *Puerto Rico Electric Power Authority, et. al., v. Puerto Rico Energy Commission* [Adv. Proc. 17-00256-LTS], *Union de Trabajadores de la Industria Eléctrica y Riego, Inc. v. Puerto Rico Electric Power Authority; et al.* [Adv. Proc. 17-00229], *UTIER v. Ortiz Vázquez* [Adv. Proc. 19-00298]; *Sistema de Retiros de Empleados de la Autoridad v. FOMB* [Adv. Proc. 19-00405]; *FOMB v. Cortland Capital* [Adv. Proc. 19-00396]; *Rivera Rivera v. Autoridad de Energía Eléctrica* [Adv. Proc. 18-00047]; during the Eighth Interim Period. The Firm has also provided advice to PREPA regarding the status and relationship of other adversary proceedings and civil complaints filed in the Commonwealth Courts which directly affect PREPA and its estate. D&V works together with the FOMB and AAFAF to effectively address all adversary proceedings litigation.

**i. Project management, restructuring and fiscal affairs**

D&V provided general restructuring legal advice and support to PREPA's Project Management Office for Restructuring and Fiscal Affairs during the Eighth Interim Period. This

counseling encompasses several areas of the restructuring and related Title III Case, such as legal strategy to conform the operations with the ongoing litigation, advice on compliance with the approved Fiscal Plan and Certified Budget, and legal advice and support to PREPA's privatization and transformation process.

### **VIII. D&V's REQUESTED COMPENSATION AND REINBURSEMENT SHOULD BE ALLOWED**

Section 317 of PROMESA provides for interim compensation of professionals and incorporates the substantive standards of section 316 of PROMESA to govern the Court's award of such compensation. Section 316 of PROMESA provides that a court may award a professional employed by the debtor (in the debtor's sole discretion) "reasonable compensation for actual necessary services rendered . . . and reimbursement for actual, necessary expenses." Section 316 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded to a professional person, the court shall consider the nature, extent, and the value of such services, taking into account all relevant factors, including—(a) the time spent on such services; (b) the rates charged for such services; (c) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this chapter; (d) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; (e) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the restructuring field; and (f) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title or title 11, United States Code. 42 U.S.C. § 2176

D&V respectfully submits that the services for which it seeks compensation in this Fee Application were, at the time rendered, necessary for and beneficial to PREPA and were rendered to protect and preserve PREPA's business operations. The Firm further believes the services for PREPA were performed

economically, effectively, and efficiently, and that the results obtained benefited not only PREPA, but also PREPA's business operations and clients. D&V further submits, that the compensation requested herein is reasonable considering the nature, extent, and value of such services to PREPA, its business operations and all parties in interest, and that the rates set forth in the PROMESA Litigation Contract are reasonable and have been approved by PREPA and registered in the Office of the Comptroller.

During the Eighth Fee Period, 6,569.80 hours were expended by D&V's members, special counsels, and associate attorneys in providing the requested professional services. The Firm made every effort to coordinate its efforts with other counsels and parties in this case to avoid any duplication of efforts. The number of hours spent by D&V is commensurate with the defined tasks D&V has performed and continues to perform on the matters described herein, as also approved by PREPA and included in the engagement.

During the Eighth Fee Period, D&V's hourly billing rates for attorneys ranged from \$250 to \$300. The hourly rates and corresponding rate structure utilized by D&V in this case is consistent with the rates charged for representation of instrumentalities of the Commonwealth of Puerto Rico.

The rate structure included in this interim application is commensurate to the rate structure generally charged by D&V for restructuring work, bankruptcy, insolvency, federal litigation, and comparable matters, whether in court or otherwise, regardless of whether a fee application is required. The rates and the rate structure reflect that the matters worked by D&V include novel matters of law and fact that are national in scope and involve great complexity, high stakes, and severe time pressures—all of which were present in this case.

Moreover, D&V's hourly rates are set at a level which is lower than the rates charged to other professionals to compensate for the advice and work involved in a matter as novel and complex as the PROMESA litigation and PREPA's restructuring efforts. Hourly rates vary with the experience and seniority of the individuals assigned. Further, these hourly rates may not be subject to adjustments unless new contracts are awarded by PREPA and registered with the Office of the Comptroller.

As detailed above, the services D&V provided to PREPA have resulted in substantial benefit to

PREPA and its business operations.

D&V represents and can demonstrate to this Court that the services rendered were performed in a reasonable amount of time, given the complexity of the issues involved and the many varied legal issues facing PREPA. The Firm's detailed and thorough records can demonstrate that the time expended on the tasks assigned was necessary and appropriate for the adequate representation of PREPA. From the earliest stages of D&V's involvement, attempts were made to limit the hours worked, and to avoid duplication of services and other unnecessary costs. Moreover, the Firm's professionals frequently provided services on behalf of PREPA under severe time constraints.

D&V relies on the Court's experience and knowledge with respect to compensation awards in similar cases. Given that frame of reference, D&V submits that, considering the circumstances of the case and the substantial benefits derived from the Firm's assistance, compensation in the amount requested is fair and reasonable.

Further, D&V certifies that the detailed time and expenses records included in Exhibit C, have been reviewed and approved by PREPA's officers. Exhibit C includes a list of each timekeeper's name, time spent on each task, hourly rate, fees sought for each entry, a description of the service and the subject matter. In sum, D&V respectfully submits that the professional services provided on behalf of PREPA and its business operations in this case during the Eighth Fee Period and to date were necessary and appropriate given the complexity of this case, the time expended by D&V, the nature and extent of D&V's services, the value of D&V's work and background knowledge into PREPA's operations, and the cost of comparable services outside of bankruptcy. All these factors are relevant as set forth in section 316 of PROMESA. Accordingly, and based on the factors outlined under sections 316 and 317 of PROMESA, the services performed to PREPA by D&V to date more than justify the allowance in full of D&V's compensation and reimbursement requests.

## **IX. RESERVATION OF RIGHTS AND NOTICE**

It is possible that some professional time expended, or expenses incurred during the Eighth Fee Period, are not reflected in the Fee Application. D&V reserves the right to include such amounts in future

fee applications. In addition, the Firm has provided notice of this Fee Application in accordance with the Amended Interim Compensation Order.

**X. NO PRIOR REQUEST**

No prior application for the relief requested herein has been made to this or any other Court.

WHEREFORE, D&V respectfully requests that the Court enter an order (a) awarding D&V interim compensation for professional and paraprofessional services provided during the Eighth Fee Period in the amount of \$1,880,695.00, and reimbursement of actual, reasonable and necessary expenses incurred during the Eighth Fee Period in the amount of \$13,883.56 to the extent that these have not been paid already; (b) authorizing and directing PREPA to remit payment to D&V for such fees and expenses; and (c) granting such further other relief as is appropriate under the circumstances.
